INTRODUCTION: Thank you for choosing MetroPlains Management (MML) for your housing needs. MML is committed to providing, managing, and promoting quality affordable housing to diverse communities in diverse locations. Residents will be impartially selected based upon the criteria specified below. Mitigating circumstances will be considered for screening criteria during the application process and appeal. Property-specific information will be found in the attached Appendix. For an outline of our procedures and management policies, a Tenant Selection Plan can be provided upon request.

Appropriate Family Size – It is important that housing units are maximized to ensure that as many individuals as possible are housed. Therefore, the household size must be appropriate for the available unit – at least one person per bedroom and not more than two people per bedroom - See Appendix attached.

- A. **Legal age** – Applicants must be aged 55 or older if applying for occupancy as head of household.
- B. **Income** - The household income must fall within the established guidelines under the Section 42 Tax Credit program or other Federal or State program requirements. (See Appendix).
- C. **Applicant Must Demonstrate Good Rental History** –The lookback period is 3 years prior to the date of application. Good rental history includes, for example, honoring the obligations of prior leases, honoring the rules of the community, engaging in a pattern of respectful conduct toward other community members, and leaving the community in the same condition as it was when it was initially rented.

Evictions filed within 3 years from the date of application will be cause for denial of the rental application. If the eviction is filed in connection with a foreclosure of the primary residence, it will not result in denial.

- D. **Credit History** – An applicant’s past financial performance in the form of credit history will be used to determine their likelihood of rental success. Our criteria will be applied on an individual basis and within the 3-year period preceding the application and is not based solely on a 3-digit score. Collections, judgments, charge-offs, account balances, late payments, and rental/utility debt are evaluated to determine your credit risk.

Balances owed to a previous landlord or utility company (gas, electric) within 3 years from the date of application (except within the managed portfolio of MetroPlains), may result in denial. The balance must be paid in full to be considered for housing. Payment plans will not be considered.

Residents in the household must be able to have utilities in their name.

POLICY: If there is a balance owed to a community that MetroPlains currently manages, the balance must be paid in full prior to lease approval. There is no time limit in this circumstance. MetroPlains will not approve a rental application if money is owed to current clients of MetroPlains.

EXCEPTIONS: Discharged bankruptcy proceedings, and the debts that have been discharged thereunder, past due medical bills, student loans, or a foreclosure of your primary residence will not be considered a negative credit item.
